<p>1. Alias FLEMING was re-approached and requested to supply derogatory information on ROEDER available to UPHILL. After a long wait, he forwarded the following:</p> <p>"According to (UPHILL) information ROEDER passed to functionaries of the SRP, the DP, and the Niedersaechsischen Union, filmed copies of the files concerning the proceedings against the Rote Kapelle during the years 1942-1945. He did this at a time when he was on the receiving end of legal proceedings--GRIMME and others Versus ROEDER. According to unconfirmed reports copies of the film subsequently came into the possession of various intelligence services, allegedly including Eastern services. It is unclear what, if anything, ROEDER knew of this additional dissemination. In the early 1950's ROEDER had close ties to rightest-extremest splinter groups."</p> <p>2. The GRIMME mentioned above is Dr. Adolf GRIMME, Director of the Nordwest Deutscher Rundfunk, and well-known Rote Kapelle personality. He and others were suing ROEDER for wrongs perpetrated against them by ROEDER in the course of his Rote Kapelle investigations. We cannot remember when the GRIMME-ROEDER process was going on, but the 513th ICG can determine this for themselves if they are interested. In addition, we would be hard pressed to say that what little UPHILL has said about ROEDER really is derogatory.</p> <p>3. UPHILL's reply is not very satisfactory, but it is all we are likely to get without making a federal case of it, which would not be warranted.</p>
